BPI CERTIFIED COMMERCIALLY COMPOSTABLE[†] TECHNOLOGY

Breaks down in commercial composting
in less than 5 weeks.

Commercially Compostable[†] Capsules

- ✓ Plant-based
- ✓ BPI Certified Commercially Compostable[†] Capsules (ASTM standard)
- ✓ Barrier capsules for freshness (no outer film)
- ✓ Matte, natural looking
- ✓ Color coded
- ✓ Meets PFAs regulations for North America
- ✓ Same great taste! Flavor and brewing experience is the same as the original capsules

Small Footprint Carton

- ✓ Small, efficient footprint
- ✓ 2x capsules vs regular per pallet
- ✓ Easy open lid
- ✓ 10 nested capsules (6 per case)
- ✓ Color pkg inside and out
- ✓ Shelf ready packaging

Compatible with Nespresso OriginalLine machines

- ✓ Premium quality espresso
- ✓ Top selling Nespresso formulas
- ✓ Smooth flavor and mouthfeel
- ✓ Good crema consistency
- ✓ Compatible with all OriginalLine
