Coconut Milk & Cream

Harvested from lush groves in Vietnam, this coconut milk and cream delivers an authentic flavor that serves as an excellent, **dairy-free** base for cooking, baking, and beverages. Its exceptional richness and naturally sweet profile provide a **high-quality** foundation that elevates everything from savory curries to smooth, delicious desserts.

Coconut Milk is projected to experience the **most growth** among the non-dairy milk segments.

Retail sales of coconut milk have shown a steady increase, from \$259 million in 2019 to an estimated **\$494 million in 2025**, with further growth forecasted through 2030.

Consumer interest is also rising, with the percentage of US consumers purchasing coconut milk increasing from 18% in 2023 to **22% in both 2024 and 2025**.
