Coconut Water

Experience the refreshing essence of Ben Tre, Vietnam with our **pure and natural coconut water**! Harvested from the lush orchards that stretch across the Mekong Delta's verdant landscapes, our coconut water is a hydrating elixir, rich in **essential electrolytes** and a **sweet, nutty flavor** that's as invigorating as the tropical breeze.

Perfect for **health-conscious** individuals and lovers of natural beverages, it's not just a drink, it's a sip of the tropic's serene beauty. Refresh, rejuvenate, and relish the taste of wellness with every drop!

Quality & Supply Security

As part of ofi, Olde Thompson is a leading coconut water supplier with decades of expertise and supply chain excellence.

Speed to Shelf

Olde Thompson is a ready offering. No delays in creating packaging, artwork, and offering materials. Product can be stocked now.

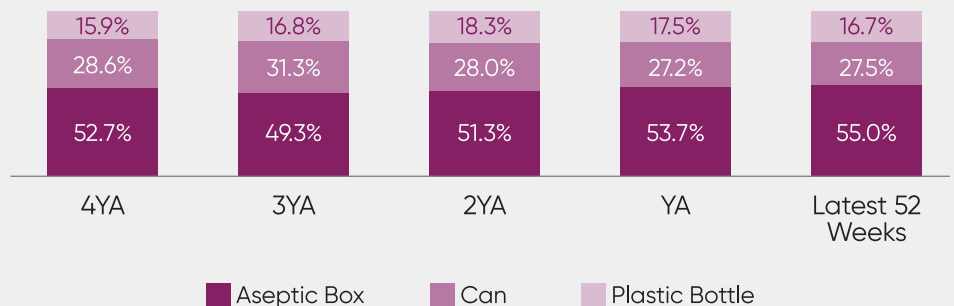

Incremental Category Growth

Olde Thompson's line of coconut water is focused on top-selling and fast-growing flavors selected to round out your category and drive growth.

The coconut water category is **large (\$621M)** and **growing (4-year CAGR 12%)** and satisfies consumer needs for healthy hydration and recovery.

The aseptic box commands the **largest \$ share (55%)** of available packaging types and continues to gain share. It is the optimal type for private label coconut water.
