

OLDE THOMPSON  
since 1944

# Madagascar Vanilla Beans

Vanilla beans are prized for their sweet flavor and intoxicating aroma. We source our **gourmet** vanilla beans from Madagascar for their superior quality. They're considered to be the finest in the world by bakers and are known for their high vanillin content, leading to a **gentle sweetness** and **creamy flavor**. Infuse the signature speckles and rich flavor into your desserts and beverages with our **organic** and **conventional** vanilla beans.

## Quality & Supply Security

As part of **ofi**, Olde Thompson is a leading supplier of spices and seasonings with decades of expertise and supply chain excellence.

## Speed To Shelf

Olde Thompson is a ready offering. No delays in creating packaging, artwork, and offering material. Product can be stocked now.

## Incremental Category Growth

Olde Thompson is focused on supplying high-quality, gourmet vanilla beans to round out your category and drive growth.

The vanilla bean market is projected to grow at a CAGR of 7.26% over the forecast period, increasing from US\$1.1 billion in 2022 to US\$1.8 billion by 2029.

| Type      | Description   | Moisture level |
|-----------|---|----------------|
| Very Dry  | Hard and brittle, has an intense flavor   | 15-20%         |
| Rouge/Red | Has tints of red in its ridges, relatively dry  | 22-25%         |
| TK        | Balance amount of vanilla content, has vanillin crystals on its surface as it dries                   | 30%            |
| Gourmet   | Most attractive in appearance, in high demand for professional use. Highest level of moisture content | 35-38%         |
